ShipWorks® INSURANCE

To Insure or Not to Insure?

If the average cost to insure an item is less than what you spend replacing lost, stolen or damaged items . . . then you should include insurance to mitigate the risk.

Save money on insurance rates. | **Save time insuring shipments and making claims.** | **Make your shipping experience easier.**

ShipWorks Insurance is 100% hassle-free. Simply select "ShipWorks Insurance" in ShipWorks for each shipment you want insured. Enjoy a streamlined experience with real-time updates on the claim status, claim messages, and document submission.
